Green Business Alliance Greenified**

*Houston Law Firm implements changes  
in an effort to go green and boost environmental sustainability*

**Houston, TX – November 20, 2008** – Del Valle Law Firm, P.C., a Houston business and litigation law firm, announced today that it is officially a Greenified company. With the guidance of Green Business Alliance, Del Valle Law Firm, P.C. has successfully implemented specific green operating procedures that will benefit the environment and its employees through the integration of environmental stewardship into their daily business practices.

“Del Valle Law Firm, P.C. is committed to doing our part to help address environmental sustainability,” said Teresa Del Valle of Del Valle Law Firm, P.C. “We are pleased that Green Business Alliance has enabled us to meet our company’s environmental goals. We believe that our work to Greenify® our organization will help the environment and will provide an impressive differentiator for prospective customers who are considering using our services. It can also be a meaningful tool for retaining our current customers.”

In making their firm Go Green, Del Valle Law Firm, P.C. has made changes to its daily operations as they relate to copying, printing, energy use and more. Through our investment in technology, we have minimized the use of paper in our document intensive legal practice and are nearly a paperless law office.

“We are proud to support Del Valle Law Firm, P.C.’s commitment to Greenify their daily business practices,” said Hilary Kusel, Executive Director of Green Business Alliance. “The corporate community has an unprecedented opportunity to lead employees and subsequently our citizenry to a Greener future. Del Valle Law Firm’s efforts demonstrate how a law firm can make a positive impact in the community and on our environment not only with the services that they provide to their customers but also with the practices within their office.”
